No, let me clarify quickly ---- the draft message to Susan and Larry that you forwarded to Rosemarie for review this morning only had copies of Susan's 6/1 email and Larry's 6/1 email. So everyone could see their pending questions/comments. Previously, we sent the January petition for Lower Umatilla, but I was asking if we should re-send it along with the final PDF of the Region 5 MOU they've been referencing.

Materials are attached to an email Rosemarie intends to send. In the interim, Carol can provide any documents we have.

Mark,

Are there any materials that Susan and Larry need for the meeting tomorrow on Lower Umatilla?
